1946-47 ALUMNI FUND REPORT

Alumni Elections

W. Emmert Swigart, Huntingdon insurance executive, took over officially as national president of the Juniata College Alumni Association at the alumni luncheon on May 31 which highlighted an extensive three-day program of Alumni and commencement activities.

Mr. Swigart, who served as first vice-president this year, succeeds J. Foster Gehrett '16, Pittsburgh public school administrator. A graduate of the Class of 1906, Mr. Swigart has taken an active interest in the college for many years. He is recognized as one of Huntingdon's most prominent businessmen.

Election of Earl W. Dickey, 2417 Second Ave., Altoona, as first vice-president also was announced on Alumni Day. Mr. Dickey, a graduate of the Class of 1927, was elected over J. Warren Mickle '10, Harrisburg, and the Rev. Joseph MacCarroll '32, Vineland, N. J.

Miss Gladys Mikesell '30, of Waynesboro, was named second vice-president succeeding Miss Edith Replogle '34, Lancaster.

Another Huntingdon insurance executive, James I. Weimer '27, was elected to the executive committee of the Alumni Association to succeed C. Jewett Henry '29, Huntingdon attorney. Mr. Weimer was elected over Paul D. Fouse '31, Pittsburgh, and Ronald H. Rowland '34, Hanover.

At the same time, announcement was made of the election of the Rev. George L. Detweiler '28, pastor of the Waynesboro

Since graduation, the Reverend Detweiler has held pastorates at Garrett, Salisbury, Meyersdale, in addition to Huntingdon and Waynesboro. He is a member of the Brethren Service Committee. In college, he became well known as a baritone soloist and was a member of the Glee Club and quartet. Committee.

Alumni Giving In Colleges

The phenomenal increase in Juniata College alumni giving corresponds with the general increase in alumni fund contributing in colleges and universities everywhere. These funds are maintaining their positions as a collective big business with ever-increasing figures. The American Alumni Council reported that "totals for last year show that nearly eight million dollars poured into the treasuries of our colleges and universities to make 1946 the biggest year in the history of the alumni fund."

Approximately 345,000 alumni contributed toward the progress of American educational ideas. The study further shows that "our average reveals that \$64,335.00 was contributed at Old Siwash in 1946 by 2,837 John and Jane Does. They each made out a check for \$22.68 and represented a collective 25.8 percent of their institution's alumni."

Juniata's fund for the year 1946 as indicated on page seven amounted to \$35,970.00 from 1148 alumni, or an average of \$31.33 from 30 percent of the alumni. In this year's report as submitted on page two the fund amounts to \$45,357.64 from 1202 contributors, or an average of \$37.73 from 33 percent of our alumni.

A New Record in Alumni Giving Established

Gifts for the year 1946-47 total \$168,579.86. Of this amount \$45,357.64 was channelled through the Alumni Fund to top the year's objective. The emphasis again this year on the Postwar Fund program helped to raise the total to a record amount in the eight-year history of the Alumni Fund.

To the Juniata Alumni:

Few things have happened since I came into office which have been quite so heartening to me as the Alumni Fund report for this year. That in times like these, Juniata alumni should break all previous records in their annual gift contributions is a source of inspiration to all of us whose faith is in Juniata.

I want to offer my hearty congratulations and to express my warmest appreciation for the significant record made in 1946-47. I fully believe that Juniata is doing a job which justifies the enthusiastic support given by her loyal sons and daughters in this critical period of her history.

To those hundreds of alumni whose gifts to the College are a testament of their loyalty and devotion, my deepest gratitude in the name of Juniata!

To Our Alumni—

The steady increase in the support of the College by the alumni through the Alumni Fund has been a heartwarming feature during these years of uncertainty. This year's report is a tribute to the work of all alumni who have participated in the fund campaign.

My own reaction is a combination of gratitude and encouragement. I am exceedingly thankful that so large a revenue has been made available at this time. And I consider the record as adequate evidence that those trained at Juniata in the past feel that she is on the road to undiminished services in the future.

Note: This report is for the year 1945-46 and is not to be confused with the current 1946-47 Juniata Alumni Fund as reported in this issue.

This list includes all of the Pennsylvania colleges with reports submitted to the American Alumni Council.

Editor's Note: In this "borrowed letter" from a medical journal is expressed a certain feeling which must creep over many of our readers in these postwar days. It is especially appropriate in this alumni fund report issue.

Dear Doctor: In reply to your request to send a check, I wish to inform you that the present condition of my bank account makes it almost impossible. My shattered financial condition is due to Federal laws, State laws, Corporation laws, Liquor laws, Mother-in-laws, Brother-in-laws and Outlaws.

Through these laws, I am compelled to pay a business tax, amusement tax, head tax, school tax, gas tax, light tax, sales tax, jewelry tax, carpet tacks, income tax, food tax, furniture tax, and excise tax. Even my brains are taxed. I am required to get a business license, car license, hunting license, truck license, not to mention a marriage license and dog license.

I am also required to contribute to every society and organization which the genius of man is capable of bringing to life; to woman's relief, the unemployment relief and the gold diggers relief; also to every hospital and charitable institution in the city, including the Red Cross, the Black Cross, the Pur-

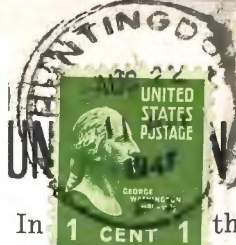

ple Cross and the Double Cross.

For my own safety I am required to carry life insurance, burglar insurance, accident insurance, business insurance, earthquake insurance, tornado insurance, unemployment insurance, old age and fire insurance.

My business is so governed that it is no easy matter for me to find out who owns it. I am inspected, suspected, disrespected, rejected, dejected, examined, informed, misinformed, required, summoned, fined, commanded and compelled until I provide an inexhaustible supply of money for every known need of the human race.

Simply because I refused to donate to something or other I am boycotted, talked about, lied about, held up, held down and robbed until I am almost ruined.

I can tell you honestly that except for the miracle that happened, I could not enclose this check. The wolf that comes to my door nowadays just had pups in my kitchen. I sold them and here is the money.

NON-ALUMNI CONTRIBUTORS

In the contributions channelled through the Alumni Fund, there were many individual contributors to the college, not alumni, in the **Huntingdon for Juniata** campaign whose names are listed below. There are 157 persons whose total contributions in cash amounted to \$12,692.50. In addition to these contributions, there are 101 gifts from civic organizations, small businesses, and industries amounting to \$23,001.27.
